PROCEEDINGS OF THE MEETING OF THE MALNAD IMPROVEMENT COMMITTEE SHIMOGA HELD ON THE 20th DECEMBER 1928 AT 4 P.M. IN THE SUB DIVISION ASSISTANT COMMISSIONER'S OFFICE AT S A G A R.

-:-:-:-

1. Proceedings of the last meeting of the Committee held on the 27th June 1928.	Recorded.
2. Letter No. G.10024 Sany. 17-27-6 dated 29th February 1928 from the General Secretary to Govt. in re the increase in the number of beds in the Hospitals in the Taluk Head quarters in areas and supply of microscopes to such dispensaries. Rife advisably need & submitted Jay	The District Medical Officer, Shimog who was consulted in the matter states that the available beds are adequate & that there is no need malnad) to increase the No. of beds or wards in any of the dispensaries. The recommendation of the District Medical Officer may be accepted with the modification that one more ward be provided at Tirthahalli. One microscope may also be supplied to the Tirthahalli hospital as recommended by the District Medical Officer.
3. Govt. Order No. G.4773-84 Sany.54-27-29 dated 11th Oct. 28, sanctioning an allotment of Rs. 3500/- for well works and Rs2000/- for improvement of communication under the Malnad improvement Scheme to this District for the current year.	Recorded.
4. Govt. Order No. G.4773-84 Sany. 54-27-29 dated 11-10-28 sanctioning among other things an allotment of Rs. 1500/- under Malnad Improvement Scheme for the supply of quinine.	Recorded with suggestion that a a portion of this grant be utilised for the purchase of Hydrochlorus tabloids of quinine and that as this is the sickness season, these pills may be purchased immediately.
5. Govt. Order No. G.4773-84 Sany. 54-27-29 dated 11th Oct. 28 sanctioning the opening of a new dispensary at Ulavi in the Sorab Taluk under the Malanad improvement scheme and General Secretary's letter No. G.6168-Sany 28-26-36 dated 21-11-28 requesting that the Dispensary may be opened either at Ulavi or at Jade in consultation with the District Board.	The Committee are of opinion that the dispensary should be located at Jade in preference to Ulavi. As regards Ulavi, a rural dispensary may be sanctioned for the place if the District Board agrees.
6. Transfer of control over the model house at Salur in the Shikarpur Taluk to the village panchayat. (This office No. A5.C.1792/27-28 dated the 10th May 28)	As the panchayat have repaired the the building at a cost of Rs. 400 and are earnest in having it for their office, the building may be made over to the Panchavat.

7. Proposals for increasing the Pay of teachers in the malnad (Letter NO. D.2. 6625-461/27-28 dated 18-6-28 from the Director of Public Instruction in Mysore, Bangalore) Refer separately and to be transferred to Dev. Department	The proposals may be further modified with a view to reduce the cost involved which, according to the proposals now received, amounts to as much as Rs. 12000/- In furnishing the modified proposals, the question of the pay as well as locality allowances may be separately delt with.
8. Sanction of a midwife at each of the following places viz., Mavinahole, Araga and Siragere.	Midwives may be sanctioned for Arga and Siragere.
9. Formation of a road from Siragere to Ayanur.	May be deferred for want of funds.
10. Providing contribution to Siragere Bellur Road.	As there is no amount available out of the malnad improvement grant, the District Board may be consulted as to whether they can allot some funds this year out of the Irrigation Cess grant or District Board Funds.
11. Appointment of a mixed committee to enquire into and suggest measures and methods for improving the conditions of workers serving in Mills, Railways and Plantations.	Mr. Dacappa has agreed to furnish definite proposals in this connection. Deferred.
12. Assignment of 10 acres of Soppinabetta land for every acre of Bagayet in Malnad.	The Idea of allotting 10 acres of Soppinabetta for each acre of Bagayat is no doubt good, but this may be kept in view as far as possible for a Village Community as a whole. It is impracticable if this rule were to be adopted in the case of each garden Owner.
13. Appointment of two Sub Assistant Surgeons for each of the Taluks in the Malnad.	The cost of the scheme is not commensurate with the benifits to be derived therefrom. As a matter of fact, pucca Dispensaries are being given to important unhealthy areas in the Malnad. As regards giving Sub Assistant Surgeons in places where there is heavy work, it is proposed that it is essential that one Sub Assistant Surgoen to each of the dispensaries at Tirthahalli and Sagar should be added to the existing staff.

14. Appointment of Vaccinators at one for each Hobli in the malnad.	The number of vaccinators in the malnad may be increased as funds permit.
15. Supply of quinine to the village Panchayats in the Malnad at half price. The General Secretary to Government has in his letter No. G.6590 Sany. 43-28-2 dated 30-11-28, stated that there is no necessity to supply quinine at half price to village Panchayats.	Recorded.
16. Govt. Order No. G.7422-5 Med. 82-25-18 dated the 15th December 1928 sanctioning the revised estimate for Rs. 14,330/- for the conversion of the Local Fund ~~for the conversion of the~~ dispensary at Tirthahalli into a combined Hospital and stating that the Govt. share of the extra cost viz., Rs. 53~~0~~/- will be met out of grants under malnad Improvement in the current year's budget etc.,	Recorded.
17. Letter No. G.7392/Sany. 9-27-29 dated the 15th December 1928 from the General Secretary to Govt. requesting whether it is possible to spare ~~of~~ a sum of Rs. 500/- from the provision made for this District under Malnad Improvement Works in the malnad Improvement budget for the current year, for the milk distribution centres in Shimoga town. Refer separately need not submission HC	The Committee regret that it is not possible to spare Rs. 500/- out of the grant under the Malnad Improvement works.
18. Systimatic propaganda work to be started to educate the villagers in the matter of sanitation etc., by magic lantern lectures.	May be referred to the District Economic Superintendent for definite proposals. The Health Officer may also examine this question.
19. Filters to be arranged to be supplied free of cost to the poor in villages and arrangements also made for the examination of drinking water from time to time.	May be referred to the District Health Officer for examination and submission of opinion.
20. Drinking water wells in the villages to be hankanised at least twice in a year.	This may be done.

21. Quinine Tabloids to be supplied to Patels and Shanubhoges for distributing who will have to be required to keep accounts.	This is being done.
22. Vigorous steps to be taken to see that the cow-sheds and manure pits are kept sufficiently far from dwelling houses and to enable people to do this, land to the extent of at least one acre to be given free of cost to land owners for building dwelling houses.	The maximum of 10 guntas to be gien full of cost prescribed for malnad ryots may be raised to 20 guntas.
23. Helminal Tabloids(in substitution of santanine) to be supplied to all the villages.	The District Medical Officer considers that this is not a drug which may be safely distributed. The proposal has therefore to be dropped
24. Vaccination statistics and births and deaths statistics to be obtained and brought to the notice of the committee.	This may be done and the District Health officer requested to furnish the required statistics at each meeting of the committee.
25. Agricultural Department to be moved to find out measures to eradicate the touch-me-not herb which is causing a great hindrance to the progress of agriculture	May be sent to the Director of Agriculture for favour of examining the problem.
26. Inter village communication to be established by opening roads between 1. Arga-Kalloni-Kallurkatte. 2. Konandur and Malur. 3. Toodur and Bekkanur.	For want of funds these new roads cannot be taken up.
27. That a recommendation be sent to the Govt. that a Railway line be opened from Arasalur to Tirthahalli and Sagar in order to create facilities of communication and trade in Malnad.	May be submitted to Govt. for favourable consideration.
